Dear Member:

Effective May 1, 2021, United Administrative Services will be taking over the administration of the IBEW 332's HRA Plan from Navia Benefits Solutions. UAS will be using the Wex Health online platform. We are sorry that this change to the new platform has taken so long and hope that you will find the new platform easy and convenient.

To be able to make this change, there will be a blackout period on your HRA account from April 16- 30, 2021. As of April 16th, you will no longer be able to use the Navia debit card or submit claims to Navia Benefits. You will need to hold onto your receipts during this time frame and submit them, via the website or mobile app, starting May 1, 2021 for processing. We are sorry for any inconvenience that this causes you.

You will be receiving a new debit card and have access to both online and mobile app options to submit your claims. Attached is more information on those services. Your new debit card should arrive at your home the first week of May.

To set up your online services:

<https://uasbppt.lh1ondemand.com>

Login: First Initial, Last Name, Last 4 of your SSN

Temporary Password: IB332

You will be prompted to change your password when you login.

If you have any questions, please reach out to your UAS administrator, Lynda Rodarte at 408-288-4433 or lrodarte@uastpa.com.
