December 2019

**TO: ALL ACTIVE PARTICIPANTS OF THE
I.B.E.W. LOCAL 332 HEALTH & WELFARE PLAN**

**RE: 2020 Open Enrollment – READ CAREFULLY
ALL CHANGES ARE EFFECTIVE JANUARY 1, 2020**

The Annual Open Enrollment will be held from December 1, 2019 through December 27, 2019. All enrollment changes will be effective January 1, 2020.

Each year, the Board of Trustees carefully evaluates proposals from various insurance providers, as well as projected costs for the Trust's self-funded medical, prescription drug, dental, short-term disability and vision benefits. As a result of this year's review, the Trustees determined that there will be no changes to the Trust's self-funded benefits or to the Kaiser HMO plan option for 2020.

To help you in your decision-making process, the enclosed Benefit Summary Comparison Chart compares some of the most important benefit features of the Kaiser HMO plan option as well as the Trust Self-Funded Medical Indemnity PPO plan option. Naturally, the comparison chart cannot show every benefit or every limitation or exclusion. If you are interested in changing your Medical Plan option for 2020, a complete benefit informational packet for the Kaiser HMO plan option is available from the Trust Office (UAS). Benefits provided by the Trust Self-Funded Medical Indemnity PPO plan option are fully described in the Plan's Summary Plan Description (SPD) benefit booklet which can be viewed online at ibew332benefits.com.

To change your Medical Plan Option, you may either:

- 1) Complete the enclosed "**Medical Plan Option Change Request Form**" and mail or fax it to the Trust Office, and they will send you new enrollment forms; or
- 2) Contact the Trust Office directly and notify them of the Medical Plan Option change you wish to make, and they will send you new enrollment forms.

If you have any questions or need more information, please contact the Trust Office (UAS) at (408) 288-4433 or toll-free at 1-877-827-4239.

If you are currently enrolled in Kaiser HMO plan option or the Trust Self-Funded Medical Indemnity PPO plan option as a Participant and you wish to remain with your current plan option for 2020, no action is required on your part.

If you want to enroll an eligible dependent during open enrollment you must complete a new enrollment form and return it to the Trust Office no later than December 27, 2019. If you have questions regarding who qualifies as a dependent, please contact the Trust Office.

You must complete new enrollment forms to change your medical plan option. All enrollment forms must be returned to the Trust Office (UAS) by December 27, 2019.

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.ibew332benefits.com or call in San Jose (408) 288-4433 or toll-free at 1-877-827-4239. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at www.ccio.cms.gov or call 1-800-878-4445 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$250 person / \$750 family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Most network provider preventive care services are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	There are no other medical plan deductibles . Dental benefit deductible : \$50 person / \$150 family	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For network providers : \$3,000 person / \$6,000 family (including deductible and Rx) For out-of-network providers : \$6,000 person / \$13,000 family (including deductible and Rx)	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Deductibles , premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes, this plan uses network providers. If you use a non-network provider your cost may be more. For a list of network providers , see www.anthem.com/ca or call the Member Service number listed on the back of your ID card for a list of Anthem BlueCross PPO network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without permission from this plan.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
